

Get Involved!

Next Steps

We look forward to working with you and your neighbours throughout the Cambie Corridor Phase 3 planning process.

“You be the Guide”

This summer, take a planner on a tour! We want you and your neighbours or friends to show us your neighbourhood. This will give us a chance to learn what makes it special for you, or what might concern you.

Where: Anywhere in the Cambie Corridor - you choose!

When: June 27 to July 9, 2015

How: Learn more and register on our website at vancouver.ca/cambiecorridor

Fall Events

In the fall, we'll have more events where we'll get to roll up our sleeves and learn more from you about our proposed focus areas, and early ideas on how you'd like to see the Cambie Corridor Phase 3 plan unfold.

Stay involved!

We're going to do our best to make sure you're well-informed about upcoming events and planning updates, but one of the best ways to stay connected is through our email list. Sign up on our website at vancouver.ca/cambiecorridor.
